

Portégé Z830 PT225A-00400G

Price \$1,721.50 RRP AUD (inc. GST)

Overview

The Portégé Z830 is the new world standard in thin and light notebooks, and the latest evolution of Toshiba's mobile technology.

The sheer style and 'cool' design of this lightweight beauty is matched only by the notebook technology inside.

Weighing a touch over a kilogram, and at under 16mm thin, the Portégé Z830 is nonetheless rugged and durable.

Other highlights include a 3 way trackpad, magnesium cladding, and a super thin backlit keyboard and webcam.

Key features include an ultra slim backlit keyboard that's spill resistant for those unforeseen mishaps.

The Portégé Z830 builds on Toshiba's tradition of thin and light notebooks at an affordable price.

Toshiba recommends Windows® 7.
